TEACHING PLAN**

Introduction

ATTENTION: The time has come for us to assign the new cadet staff positions and assign cadets to assist the CAP 1 instructor for review of the color guard training.

MOTIVATION: Do you feel that you are knowledgeable enough to be selected to a cadet staff position or to assist CAP 1 instructors? How will you react if you are not selected? It is just important that you are a good "follower" in performing your duties in the unit.

OVERVIEW: During this period, the instructor will assign the new cadet staff positions and assign sufficient number of cadets to assist CAP 1 instructor for review of color guard training. Balance of CAP 3 cadets, if any, will practice element/flight drill.

TRANSITION: FALL IN!

Body

MP 1 The following cadet drill squadron positions will be assigned by the instructor. Selection is based on past performance in previous two achievements.

Cadet Commander _____

Cadet First Sergeant _____

Cadet Guidon Bearer _____

Cadet "A" Flight Commander _____

Cadet "A" Flight Sergeant _____

Cadet "B" Flight Commander _____

Cadet "B" Flight Sergeant _____

These assignments take effect at the closing ceremonies today.

MP 2 A sufficient number of cadets will be assigned to the CAP 1 instructor, as determined by that instructor, to assist in the final phase of color guard training. Any cadets remaining will be formed into elements, or a flight, for drill. If a flight is used for drill, the two new flight commanders will rotate drill duties for the balance of the period.

Conclusion
